You may be as homely as a hippopotamus, but if you have a heart as big as one, you'll be beautiful.

People don't care much how you live so long as you don't agitate them.

Lazy persons are usually sympathetic, probably because they have plenty of time for sympathy.

Girls once thought they should cover their legs; now it's their ears.

Miles of Perforations.

Measured in terms of miles according to a calculation of Director James L. Willmeth, of the government printing office, the daily output of holes perforated from stamps, when placed side by side and edge to edge, would extend in single file a distance of 803 1/2 miles.

For Dyspeptics.

For dyspeptics there is nothing better than sour milk. It should be made palatable by adding salt or sugar, according to taste. Sprinkling a little cinnamon on it makes it quite good.

Andrew Jackson's Nickname.

The nickname "Old Hickory" was given to Andrew Jackson for the toughness and sturdiness of his character.

JOY ECLIPSE RANGE

we will show at Floral Hall.

It is the latest in stove invention. The most beautiful range made. Just enough nickel and white enamel to give it a fine appearance. Has newly invented draft and damper.

STROEBEL BROS.

But haven't you found generally that about the time all your affairs have gone to the dogs, somebody calls off the dogs?

An automobile owner always envies the man who owns a car the next grade better than his own. To avoid this envy don't own a car.

Nobody takes the joy out of life so fast as the one who qualifies his praise with a "but."

The girls' covering their ears would not be so bad if they didn't leave openings for gossip to trickle through.

If you talk much about yourself, others will talk much about you, but they won't say the same things that you've been saying.

Some men marry for a figure and others for figures.

Great success consists largely in doing the things that can't be done.

You have a right to be proud of your ancestors only if they had sound minds.

How do you expect always to be understood when nobody understands himself?

At 20 he doesn't need much sleep; at 40 he needs it but he has to hustle so hard to make a living he doesn't get it.

Flirtatious girls may make the best wives but flirtatious wives don't make the best wives.

If you cultivate a poor memory for the failings of others, others will cultivate poor memories for your faults and failings.

If you believe everything you hear you'll soon hear more than anybody could believe.
